§ 242.204 Close-out requirement.

(a) A participant of a registered clearing agency must deliver securities to a registered clearing agency for clearance and settlement on a long or short sale in any equity security by settlement date, or if a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security for a long or short sale transaction in that equity security, the participant shall, by no later than the beginning of regular trading hours on the settlement day following the settlement date, immediately close out its fail to deliver position by borrowing or purchasing securities of like kind and quantity; *Provided, however:*

(1) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security and the participant can demonstrate on its books and records that such fail to deliver position resulted from a long sale, the participant shall by no later than the beginning of regular trading hours on the third consecutive settlement day following the settlement date, immediately close out the fail to deliver position by purchasing or borrowing securities of like kind and quantity;

(2) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security resulting from a sale of a security that a person is deemed to own pursuant to § 242.200 and that such person intends to deliver as soon as all restrictions on delivery have been removed, the participant shall, by no later than the beginning of regular trading hours on the thirty-

fifth consecutive calendar day following the trade date for the transaction, immediately close out the fail to deliver position by purchasing securities of like kind and quantity; or

(3) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in any equity security that is attributable to bona fide market making activities by a registered security maker, options market maker, or other market maker obligated to quote in the over-the-counter market, the participant shall by no later than the beginning of regular trading hours on the third consecutive settlement day following the settlement date, immediately close out the fail to deliver position by purchasing or borrowing securities of like kind and quantity.

(b) If a participant of a registered clearing agency has a fail to deliver position in any equity security at a registered clearing agency and does not close out such fail to deliver position in accordance with the requirements of paragraph (a) of this section, the participant and any broker or dealer from which it receives trades for clearance and settlement, including any market maker that would otherwise be entitled to rely on the exception provided in § 242.203(b)(2)(iii), may not accept a short sale order in the equity security from another person, or effect a short sale in the equity security for its own account, to the extent that the broker or dealer submits its short sales to that participant for clearance and settlement, without first borrowing the security, or entering into a bona fide arrangement to borrow the security, until the participant closes out the fail to deliver position by purchasing securities of like kind and quantity and that purchase has cleared and settled at a registered clearing agency; *Provided, however:* A broker or dealer shall not be subject to the requirements of this paragraph if the broker or dealer timely certifies to the participant of a registered clearing agency that it has not incurred a fail to deliver position on settlement date for a long or short sale in an equity security for which the participant has a fail to deliver position at a registered clearing agency or

that the broker or dealer is in compliance with paragraph (e) of this section.

(c) The participant must notify any broker or dealer from which it receives trades for clearance and settlement, including any market maker that would otherwise be entitled to rely on the exception provided in § 242.203(b)(2)(iii):

A broker or dealer that has been allocated a portion of a fail to deliver position that does not comply with the provisions of paragraph (a) of this section must immediately notify the participant that it has become subject to the requirements of paragraph (b) of this section.

(e) Even if a participant of a registered clearing agency has not closed out a fail to deliver position at a registered clearing agency in accordance with paragraph (a) of this section, or has not allocated a fail to deliver position to a broker or dealer in accordance with paragraph (d) of this section, a broker or dealer shall not be subject to the requirements of paragraph (a) or (b) of this section if the broker or dealer purchases or borrows the securities, and if:
